RE: MTC Resolution No. 1198, Revised - Revisions to MTC's Conflict of Interest Code

Office of General Counsel reported to the Committee in July 2013 that MTC's Conflict of Interest (COI) Code, which also serves as the COI code for the Bay Area Toll Authority, the MTC Service Authority for Freeways and Expressways, the Bay Area Infrastructure Financing Authority and the Bay Area Headquarters Authority, required an update in order to update the designated positions to reflect MTC's current organizational structure, to include MTC's "Principal" positions as designated positions, and to assign disclosure categories to the Principal positions. The designated positions are set forth in Appendix A to the COI Code, and the disclosure categories are described in Appendix B of the COI Code.

The Committee authorized posting the draft changes to the attached Resolution No. 1198, Revised, in the MTC Library beginning July 10, 2013, for a 45-day public comment period ending August 26, 2013. We received no comments, and the COI code was granted approval by the California Fair Political Practices Commission (FPPC) on February 2, 2015 after making the following clarifications:

- Assigning BAHA Director and Principals to disclosure categories 1 and 3 rather than 1, 2 and 3.
- Assigning Finance Principals to disclosure category 1 rather than 1, 2 and 3.

The enclosed "track changes" version (*additions in italics and underlined*) reflects the changes from the version of MTC Resolution No. 1198 last approved by the FPPC on April 17, 2013.

Incumbents of positions designated in Appendix A to MTC's approved COI code must file an annual Statement of Economic Interest (FPPC Form 700) in compliance with the disclosure categories as indicated in Appendix B. Copies of the COI code will be made available to any interested person who calls Rosy Levya, Secretary to the Commission, during business hours at (510) 817-5700.

I recommend that this Committee forward Resolution 1198, Revised, MTC's Conflict of Interest Code, to the Commission for approval.

CONFLICT OF INTEREST CODE FOR THE METROPOLITAN TRANSPORTATION COMMISSION

The Political Reform Act (Government Code Section 81000, *et seq.*) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Metropolitan Transportation Commission (MTC), a statutorily created regional transportation planning agency pursuant to Government Code Section 66500 *et seq.*, is for the purposes of the Political Reform Act, a local government agency pursuant to Government Code Section 82041. MTC also functions as the MTC Service Authority for Freeways and Expressways ("MTC SAFE") pursuant to Streets and Highways Code Sections 2550-2556, and the Bay Area Toll Authority ("BATA") pursuant to Streets and Highways Code Section 30950 *et seq.* The Fair Political Practices Commission has adopted a regulation (2 Cal. Code Regs. Sec. 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearings, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 Cal. Code of Regs. Sec. 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the **Metropolitan Transportation Commission (MTC)**.

Individuals holding designated positions shall file their statements of economic interests with **MTC**, which will make the statements available for public inspection and reproduction. (Government Code Sec. 81008.) Upon receipt of statements for the MTC Commissioners and from the Executive Director, **MTC** shall make and retain copies and forward the originals to the **Fair Political Practices Commission**. All other statements will be retained by **MTC**.
